### 8. **EXTERNAL RISK FACTORS TO THE CORPORATION:**

Liquor industry is a high risk industry, primarily on account of high taxes and innumerable regulations governing it. Taxation of alcoholic beverages should be viewed in the context of establishing a balance between economic, ethical, political and social considerations. Consumption of alcoholic beverages has considerable adverse effects on health, affecting the long term productivity of the consuming individuals as well as the society. Complete prohibition can be seen as a step to curb these evil effects of liquor. But “complete prohibition” would also mean the purpose for which OSBC was created, would no longer exist.

If the enforcement related activities of State Excise is not up to the mark, there are high chances of non-duty paid items making their way into the market. This would heavily impact the volume of sales through OSBC and the Excise revenue.

OSBC is committed to work along with the State Excise to create a win-win business environment for all stakeholders in an effort to minimize the above risks.

### 9. **DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND CORPORATION’S OPERATIONS IN FUTURE:**

No significant and material orders have been passed during the year under review by the regulators or courts or tribunals impacting the going concern status and Corporation’s operation in future.

### 10. **DETAILS IN RESPECT OF ADEQUACY OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS:**

The Corporation has an Internal Control System, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit (IA) function is defined in the Internal Audit Charter. To maintain its objectivity and independence, the Internal Auditor reports are placed before the Audit Committee. The Audit Committee monitors and evaluates the efficacy and adequacy of internal control system in the Corporation, its compliance with operating systems, accounting procedures and policies of the Corporation. Based on the report of internal audit, corrective actions are undertaken in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

**11. MANAGEMENT DISCUSSION AND ANALYSIS:**

Management Discussion and Analysis comprising an overview of the financial results, operations/performance and the future prospects of the Corporation form part of this Annual Report.

**12. INDUSTRIES SCENARIO:**

The Odisha State Beverages Corporation Ltd. was incorporated under the Companies Act 1956 on 6<sup>th</sup> November 2000, with the Registrar of Companies, Odisha, Cuttack, after the abolition of under-bond system of distribution and sale of IMFL and Beer throughout the State of Odisha. This system was introduced by legislation Under Section 20.A of Bihar and Orissa Excise Act giving exclusive right and privilege of Importing/procuring and carrying out the wholesale trade and distribution of Foreign Liquor and Country Liquor in the State on behalf of State Government for the whole of the State of Odisha. Accordingly, no other person shall be entitled to any privilege or license for this in the whole or any part of the State. Therefore, the business operation of the Corporation will depend upon the Excise Policy of Government of Odisha.

**13. BUSINESS OUTLOOK:**

The demand of FMFL, IMFL, Wine, RTD and BEER in India is on a rising trend due to rising urbanization, favorable demographics of the Country and change in social outlook, taste flavor and lingering demand towards consumption of liquor.

OSBCL's efforts are driven by calculated business expansion programme with specific weightage on the demographic profile of public in large. This, coupled with past business experiences and analytical approaches which has till now enabled your Corporation in achieving positive results in the past and now expect to have a continuity of the same in future, with strong belief to be in an iconic and lucrative presence in this historic State of Odisha.

At present, OSBC Limited has been functioning with 10 (Nine) depots across the State. As per approval of Board of Directors, it was decided to establish 4 (Four) additional new depots in Bhawanipatna (Kalahandi), Lathikata (Sundargarh), Jasipur (Mayurbhanj) and Bhubaneswar. It was also decided to identify Government land for the above four depots for construction of OSBCL godowns and ancillary building.

### Replies of the Management on the Observations of the Statutory Auditor on the Financial Statements of Odisha State Beverages Corporation Limited for the financial year 2023-24

Sl No	Audit Observations	Management Reply
1	Referring to the Significant Accounting Policy for recognition of purchases, as per Note No.2 Significant Accounting Policies/Para No. 8 the Company's accounting policy is not in conformity to Ind AS 115 "Revenue from contract with customers". The invoices raised by the suppliers are not recognized as purchase by the Company at the time of issuing Goods Receipt Notes (GRN) though the stocks are under the control of the Company as defined under Paragraph 33 of Ind AS 115,"Contract with customers" and Para 4.20 and 4.21 of the "Conceptual Framework for Financial Reporting under Indian Accounting Standards (Ind AS)"(applicable for Standard-setting activity w.e.f. April 1, 2020). The Company recognizes purchases in its go-downs under its control only at the time of sale of products, which in our opinion do not represent a true and fair view of the financial statements.	Regarding accounting of the beverages stock it was explained to the audit that it is a standard practice followed by the Corporation for years and the same practice has been accepted by C&AG and other statutory authorities.
2	Other Equity and Loading & Unloading Charges receivable as at 31.03.2024 are overstated by an amount of Rs.362.45 lakhs each due to non-provision of doubtful debt on account of under loading charges for the period from 2011-12 to 2015-16 of Khorda, Nirgundi and Balasore Depots and for the period from 2009-10 to 2015-16 for Sambalpur Depot since no steps have been taken by the Company during the year for recovery and the likelihood of recovering the amount from the parties is minimal.	In arbitration, the award was passed in favor of the Corporation in case of Sambalpur Depot and accordingly recovery of loading and unloading charges has been initiated. For Khordha, Nirgundi & Balasore Depots the appeal has been filed before the Honorable High Court of Orissa and as such no provision has been provided.
3	Current assets are overstated by Rs. 2.92 lakhs on account of long outstanding, un-reconciled balances not confirmed by the parties as at 31.03.2024. Current liabilities to the extent of Rs. 69.92 lakhs have also been overstated being un-reconciled, not confirmed and long outstanding. The company has not initiated any actions during the year for the recovery or reconciliation of the outstanding amounts that have	The outstanding un-reconciled current assets and current liabilities will be taken up while finalizing the accounts of next financial year i.e. FY 2024-25.

	remained unsettled for an extended duration. This could potentially lead to inaccurate financial reporting, misleading ratios and a misrepresentation of the company's financial health.	
4	As per documents and information furnished to us, though the liquor stocks are under the control of the Company, the Company does not account for the liquor stocks stored in its depots under its control as inventory. The Company however has paid Rs.67.91 lakhs towards insurance premium during the year but failed to recover the premium paid from its suppliers. In our opinion, failure to recover the premium resulted in an understatement of profit for the year by Rs.67.91 lakhs.	As per Supply Chain Management Policy, 2020, vide clause no-21, all the beverages stocks of FMFL / IMFL / Wine / Beer / RTD / CL lying in the depots of the OSBCL are to be covered under insurance on yearly basis by the Corporation and the cost of insurance premium will be borne by the Corporation. Since the Corporation is the custodian of such beverages stock and the risk and rewards is lying with the Corporation, recovery of Insurance Premium from the supplier is not called for and there is no under statement of profit.
5	Attention is drawn to point No.10 of Note-3 “Additional Notes to the Financial Statements” Short Term Provision is understated and Accumulated Profit is overstated to the extent of non-provisioning of liabilities on account of Retirement Benefits (figures not ascertained by the management) relating to deputed employees from ORITCO, OIL ORISSA, OSFC, OBCC and OFDC and measurement and disclosure are not in compliance to the requirements of Ind AS 19 “Employee Benefits”. The impact on Financial Statements could not be quantified as the same has not been ascertained by the management.	The leave salary & pension contribution has been reimbursed to the parent department of the respective deputed employees on the basis of claim made by the respective parent departments. However no provision for the deputed employees has been made due to non availability of the data/figures in respect of Leave Salary & gratuity, pension.  The same as above para has already been disclosed in the Note-3-“Additional notes to accounts vide point no.-10.
6	The requirements laid down as per the provisions of Rule 158 of the Odisha Excise Rule, 2017, have not been adhered to by the Company and the entity has not kept any records nor adopted any appropriate internal control measures in respect of monitoring the issue, utilization and balances of Excise Adhesive	The Corporation does not deal with Excise Adhesives Label (EAL). The distribution and accounting of EAL is exclusively controlled by the Department of Excise. Further the Superintendent

	Labels (EALs) issued to the suppliers within the state and the suppliers located outside the state. The impact on the Financial Statements could not be quantified as no records have been kept by the management for such Excise Adhesive Labels (EALs).	of Excise, Khurda is only the custodian of EAL for distribution to Distillery Officer/Excise OIC of Distilleries/Bottling Plants/Breweries operating in/out side State of Odisha. Hence, there is no role of the Corporation.
7	As per section 29 of the Odisha Excise Act, 2008 “where there is a difference of duty as between two licence periods, such difference may be collected in respect of all stocks of liquor held by licensee at the close of the former period”. It is observed that the Company has not complied with provisions of section 29 of the Odisha Excise Act, 2008, and failed to collect the differential excise duty on liquor stocks lying in the depots of the Company. As per the information furnished to us, the Company collects the differential excise duty only at the time of sale of the liquor products by following the Supply Chain Management policy framed by the Company. As per the practice followed by the Company, the Government of Odisha is losing revenue on the stocks lying in the depots at the time of change in rates of duty and eventually not sold due to sedimentation and for other reasons Since the inventories are not recognized in the books of account, due to the wrong accounting policy followed by the Company as mentioned under para 01 of our report, the amount of differential duty if any, could not be audited by us as the same have not been ascertained and furnished by the management to audit.	As per the prevailing practice, after revision (upward) of Excise duty by Govt., the new duty is paid by the supplier before dispatch of stock from his manufacturing unit to OSBC. But in case of stock which is already received by OSBC prior to revision of duty, OSBC collects the revised duty in respect of liquor stocks sold to retailers and deposit the same with the Government. The Board of Directors in their 84 <sup>th</sup> meeting held on 26.06.2020 also decided that the prevailing practice of collection of differential excise duty on sales to retailers will continue.

### Emphasis of Matter

SI No	Audit Observations	Management Reply
1	The company has not obtained balance confirmations as of March 31, 2023, from a substantial number of its sundry creditors, sundry debtors, and other parties. Consequently, the balances	There are about 2000 retailers. Either they place their advance in the Corporation wallet or deposit DD for lifting liquor stock, Most of these retailers who deposit into the wallet have

The amount available in the wallet has never been disputed by any of the retailers in the past, hence the wallet balance of the retailers are auto reconciled with the Corporation balance. Whether the deposit is into the wallet or through DDs, no liquor stock is supplied unless they have credit balance with the Corporation. So far as other creditors are concerned, they are suppliers of liquor for whom the accounts are reconciled periodically. Beyond retailers and suppliers of liquor, there is hardly any sundry debtors and sundry creditors.
2	The Company has not disclosed the "Relationship with Struck off Companies" under section 248 of Companies act-2013 in the Financial Statements for the FY-2023-24. As per the records of the Company, the Company has entered into the following transactions with the struck off companies during this year. (Annexure-1)	The Corporation has not entered into any transactions with either Foster India Private Limited or with India Glycols Limited(Struck off Companies) during the FY 2022-23 and FY 2023-24 as pointed out by Audit. The balances outstanding as on 31.03.2024 are carried over balances from previous years before they were struck off as would be observed from Annexure -1.
3	The Company has not disclosed contingent liability of Rs 2.94 Crore towards deviation statement received for payment to M/s Bridge & Roof for construction of OSBC godown at Khordha ( handed over on 11.04.2022 )	The deviation was for the execution of extra works without the administrative approval of Corporation. The same shall be recognized after the administrative approval.
4	The company has not disclosed contingent liability in respect of the Statement of Demand for Rs. 456.50 lakhs issued by the Commissioner, GST & Central Excise, Bhubaneswar for the years 2016-17 and 2017-18 (upto June 2017).	The Statement of demand for Rs. 456.50 Lakhs issued by the Commissioner, GST & Central Excise, and Bhubaneswar for the year 2016-17 and 2017-18 is through a show cause notice against which compliances have been made and no final demand has been raised subsequent to Corporation's compliance. The Corporation does not take cognizance of show cause notices for the purpose of contingent liability.

**Comments of the Comptroller and Auditor General of India under Section 143(6) (b) of The Companies Act, 2013 on the Financial Statements of Odisha State Beverage Corporation Limited for the year ended 31 March 2024.**

The preparation of financial statements of Odisha State Beverage Corporation Limited for the year ended 31 March 2024 in accordance with financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the Management of the Company. The Statutory auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act, are responsible for expressing opinion on the financial statements under Section 143 of the Act, based on independent audit in accordance with the Standards on auditing prescribed under section 143(10) of the Act.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of Odisha State Beverage Corporation Limited for the year ended 31 March 2024 under Section 143(6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

In addition, I would like to highlight the following significant matters under section 143 (6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

**A. Comments on Financial Position****Balance Sheet****Assets****Non-Current Assets****Capital Work in Progress-Tangible-19.61 crore**

1. IDCO engaged in construction of godown of the Company in Ganjam submitted UC of ₹ 0.71 crore over and above the amount sanctioned (₹ 14.70 crore) for the purpose and Odisha State Police Housing & Welfare Co Ltd also claimed ₹ 0.03 crore over and above the sanctioned amount of ₹ 4.90 crore for construction of godown at Junagarh upto 31 March 2024. However, the same were not accounted for by the Company. Non-accounting of expenses in projects, over and above the sanctioned amount resulted in understatement of above head as well as current liabilities by ₹ 0.74 crore.

**B. Comments on Disclosures****Notes to Accounts and Significant Accounting Policies. (Note-I)**

2. OSBC has taken up construction of its own Godown at Balasore and Lathikata, for which OSBC has spent a significant amount. Land in these places were in the name of Excise department and OSBC had acquired only permissive possession and surface right. A suitable disclosure in this regard should have been given in Notes to accounts.

**C. Notes to Accounts-Additional Notes to the financial Statement (Note-3)**

3. i) During the year 2022-23, 0.61 crore was spent on SARAS Mela and City Fest 2023 as well as Publicity of FIH Men's Hockey world cup 2023 at Rourkela, which was shown as CSR expenses. However, this expense under CSR Expenditure was not in order. This should have been properly classified and suitably disclosed in the accounts

**Sub: Audit of the Annual Accounts of Odisha State Beverages Corporation Limited for the Financial Year 2023-24.**

Sir,

I am to draw your kind attention that during the Supplementary Audit on the Accounts of the Company for the year 2023-24, the following lapses was noticed:

In the note (CSR), the details of nature & activity towards CSR expenses, Previous year expenses on supply of water purifier-cum-cooler to Government Schools was shown as Rs. 0.00, though Rs. 2.77 lakh was spent during 2022-23 (as per 23rd Annual Report).

However, as per assurance given, necessary rectification may be made in the next year's account and such type of error may be avoided in future.

Yours faithfully,

Sd/-

## Annexure-3

**Annual Report on CSR Activities**

***[Pursuant to clause (o) of sub-section (3) of section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]***

**1. A brief outline of the company's CSR policy:**

Your Corporation, OSBCL got incorporated in November, 2000 under the Companies Act, 1956 with the Registrar of Companies, Odisha, Cuttack as a 100% State Government undertaking in the State of Odisha and simultaneously got authorization for wholesale trade of liquor of different brands of IMFL, FMFL, Beer and Country Spirit in the State Odisha. It acts as a socially responsible corporate by adopting the CSR Policy w.e.f. 7<sup>th</sup> February, 2015 which is available on the Corporation's website. It recognizes that Corporate Social Responsibility (CSR) is not just a legal requirement but a social necessity to cater to the well being of the public at large. Conducting business in a way that provides social, environmental and economic benefits to the communities, in which we operate, has been a part of our policy from the date of incorporation. OSBCL conducts its business ethically and in a responsible manner with inclusive focus on the preservation and development of the social, cultural and economic fabric of the society as well as protection of the environment. Conducting business ethically brings a competitive advantage for us as the suppliers, retailers and consumers are willing to trust the ethical behaviour of the Corporation that has enhanced supply chain relationship over the years.

Your Corporation is not only committed towards profitable growth, but also towards social initiatives, protection of environment and renewal of resources wherever possible.

**Social Initiative and CSR**

For its Corporate Social Responsibility your Corporation has developed social initiatives in areas such as **creating awareness regarding de-addiction, Health Care including preventive health care, Sanitation, Social Development, Skill Building & Promotion of Education etc.** Our CSR policy lays down clear guidelines for undertaking comprehensive social development programmes under these identified categories. Our existing activities will be further extended and aligned suitably to cover areas as recommended by the Companies Act, 2013 and amendment thereof.

## INDEPENDENT AUDITOR'S REPORT

### To the Members

### Odisha State Beverages Corporation Limited

### Report on the Audit of the Ind AS Financial Statements

### Qualified Opinion

We have audited the accompanying Ind AS financial statements of Odisha State Beverages Corporation Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the basis for qualified opinion paragraphs of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2024, and its profit, changes in equity and its cash flows for the year ended on that date.

### Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI), together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate, except for the matters stated below, to provide a basis for our qualified audit opinion.

1. Referring to the Significant Accounting Policy for recognition of purchases, as per Note No.2 Significant Accounting Policies Para No. 8 the Company's accounting policy is not in conformity to Ind AS 115 "Revenue from contract with customers". The invoices raised by the suppliers are not recognised as purchase by the Company at the time of issuing Goods Receipt Notes (GRN) though the stocks are under the control of the Company as

defined under Paragraph 33 of Ind AS 115, "Contract with customers" and Para 4.20 and 4.21 of the "Conceptual Framework for Financial Reporting under Indian Accounting Standards (Ind AS)" (applicable for Standard-setting activity w.e.f. April 1, 2020). The Company recognises purchases in its godowns under its control only at the time of sale of products, which in our opinion do not represent a true and fair view of the financial statements.

2. Other Equity and Loading & Unloading Charges receivable as at 31.03.2024 are overstated by an amount of Rs.362.45 lakhs each due to non-provision of doubtful debt on account of under loading charges for the period from 2011-12 to 2015-16 of Khorda, Nirgundi and Balasore Depots and for the period from 2009-10 to 2015-16 for Sambalpur Depot since no steps have been taken by the Company during the year for recovery and the likelihood of recovering the amount from the parties is minimal.
3. Current assets are overstated by Rs. 2.92 lakhs on account of long outstanding, unreconciled balances not confirmed by the parties as at 31.03.2024. Current liabilities to the extent of Rs. 69.92 lakhs have also been overstated being unreconciled, not confirmed and long outstanding. The company has not initiated any actions during the year for the recovery or reconciliation of the outstanding amounts that have remained unsettled for an extended duration. This could potentially lead to inaccurate financial reporting, misleading ratios and a misrepresentation of the company's financial health.
4. As per documents and information furnished to us, though the liquor stocks are under the control of the Company, the Company does not account for the liquor stocks stored in its depots under its control as inventory. The Company however has paid Rs.67.91 lakhs towards insurance premium during the year but failed to recover the premium paid from its suppliers. In our opinion, failure to recover the premium resulted in an understatement of profit for the year by Rs.67.91 lakhs.
5. Attention is drawn to point No.10 of Note-3 "Additional Notes to the Financial Statements" Short Term Provision is understated and Accumulated Profit is overstated to the extent of non-provisioning of liabilities on account of Retirement Benefits (figures not ascertained by the management) relating to deputed employees from ORITCO, OIL ORISSA, OSFC, OBCC and OFDC and measurement and disclosure are not in compliance to the requirements of Ind AS 19 "Employee Benefits". The impact on Financial Statements could not be quantified as the same has not been ascertained by the management.

6. As per section 29 of the Odisha Excise Act, 2008 “where there is a difference of duty as between two licence periods, such difference may be collected in respect of all stocks of liquor held by licensee at the close of the former period”. It is observed that the Company has not complied with provisions of section 29 of the Odisha Excise Act, 2008, and failed to collect the differential excise duty on liquor stocks lying in the depots of the Company. As per the information furnished to us, the Company collects the differential excise duty only at the time of sale of the liquor products by following the Supply Chain Management policy framed by the Company. As per the practice followed by the Company, the Government of Odisha is losing revenue on the stocks lying in the depots at the time of change in rates of duty and eventually not sold due to sedimentation and for other reasons Since the inventories are not recognized in the books of account, due to the wrong accounting policy followed by the Company as mentioned under para 01 of our report, the amount of differential duty if any, could not be audited by us as the same have not been ascertained and furnished by the management to audit.

**Emphasis of Matter****We draw attention to:**

1. The company has not obtained balance confirmations as of March 31, 2024, from a substantial number of its sundry creditors, sundry debtors, and other parties. Consequently, the balances reported in the financial statements are subject to potential adjustments based on the outcomes of balance confirmation and subsequent reconciliation processes.
2. The Company has not disclosed the “Relationship with Struck off Companies” under section 248 of Companies Act, 2013 in the Financial Statements for the FY 2023-24.

(₹ in Lakh)

Sl. No.	Name of the struck off Company	Nature of transactions with struck off Company	Balance outstanding as on 01.04.2023	Balance outstanding as on 31.03.2024	Relationship with the struck off Company.
1	Foster India Private Limited	Payables	14.48(Cr)	14.48(Cr)	Nil
2	India Glycols Limited	Payables (debit Balances)	0.98 (Dr)	1.93 (Dr)	Nil

3. The Company has not disclosed contingent liability of Rs.2.94 Crore towards deviation statement received for payment to M/s Bridge & Roof for construction of OSBC Godown at khordha (handed over on 11<sup>th</sup> April 2022).
4. The company has not disclosed contingent liability his respect of the Statement of Demand for Rs.456.50 lakh issued by the Commissioner, GST & Central Excise, and Bhubaneswar for the years 2016-17 and 2017-18 (up to June 2017). Our opinion is not modified in respect of these matters.

**Key Audit Matters:**

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters is not applicable to the Company as it is an unlisted company.

**Information other than the Ind AS Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis of financial performance highlights; Board's report including Annexure to Board's Report, Business Responsibility Report, Report on Corporate Governance, Shareholder's information and other information in Integrated Annual Report but does not include the Ind AS financial statements and our auditor's report thereon, which are expected to be made available to us after the date of the auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance and conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the reports stated above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required.

### **Responsibility of Management and Those Charged with Governance for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Sec 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) prescribed under Sec 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations or has no realistic alternate but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Ind AS Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with the governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) order, 2020("the order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure 1**" to this report, a statement on the matters specified in the paragraphs 3 and 4 of the said order, to the extent applicable.

- (d) The Company has not revalued any of its Property, Plant, and Equipment (including right-of-use assets) or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- (ii) (a) Though the stocks are under the control of the Company as defined under para 33 of Ind AS 115, the company recognises purchases only at the time of sale of products and inventory under control of the company is not recognised in the books of account. As mentioned in paragraph 01 of the Independent Auditors' Report, the accounting policy applied by the company for the recognition of purchases and inventory does not align with the stipulations outlined in Ind AS 115 "Revenue from Contracts with Customers." Despite the Company conducting a physical inventory verification during the year through its Internal Auditors, our ability to provide an opinion on this verification is impeded due to the absence of corresponding recognition of the inventory in the company's accounting records.

(b) The Company has not been sanctioned any working capital limits during the year from any banks and financial institutions on the basis of security of current assets. Hence filing of the quarterly returns or statements by the company with such banks or financial institutions is not required.

- (iii) The Company has not made investments in, nor provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships, or any other parties during the year.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees, and securities provided, as applicable.
- (v) The Company has not accepted any deposits from the public. Nevertheless, it's noteworthy that advances from customers totalling Rs. 205.71 lakhs have remained outstanding for a period exceeding 365 days. As per the Companies Act 2013, these outstanding advances are subject to being categorized as deemed deposits. It is observed that the prescribed guidelines issued by the Reserve Bank of India and the stipulations outlined in sections 73 to 76, or any pertinent provisions, as well as the accompanying regulations of the Companies Act, have not been adhered to in this context.
- (vi) The Company is not required to maintain cost records as specified by the Central Government under subsection (1) of section 148 of the Companies Act.
- (vii) In respect of statutory dues:
  - a) According to the information and explanations given to us and the basis of our examination of the records of the Company, in our opinion, the Company is generally regular in depositing undisputed statutory dues, including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
  - b) According to the records of the Company, the following are the dues outstanding in respect of income tax, service tax, sales tax, and entry tax on account of disputes.

Name of the statute	Nature of dues	Assessed Demand Amount(Rs. in Lakhs)	Amount Paid Against demand (Rs. in Lakhs)	Period Which the Amount Relates (FY)	Forum where dispute is pending

	Assessed demand	322.04	322.04	2002-03	High Court, Odisha
Entry tax	Assessed demand	0.80	0.00	2007-08 to 2008-09	Demand of additional interest intimated to the Additional Secretary to Gov. of Odisha, Finance Department
	Assessed demand	676.15	0.00	2009-10 to 2013-14	Demand of additional interest intimated to the Additional Secretary to Gov. of Odisha, Finance Department

**(viii)** There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

**(ix)** In respect of Loans and Borrowing dues:

- (a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The company is not declared wilful defaulter by any bank or financial institution or other lender;
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

**(x)** (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

**(xi)** (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

- (c) We have taken into consideration the whistle-blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing, and extent of our audit procedures.

- (xii) The Company is not a Nidhi Company and hence reporting under clause (3)(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.  
(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (xvii) The company has not incurred cash losses in the financial year covered by our audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.

We however state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) There Company has an unspent amounts of Rs.48.75 towards Corporate Social Responsibility (CSR) on other than ongoing projects has duly transferred to unspent CSR account within 30 days from the end of the FY in compliance with the provision of Section 135 of the Act.

(b) There is no ongoing project of the Company which needs to be transferred the unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act. Hence, reporting under clause (3)(xx)(b) of the Order is not applicable.

## ANNEXURE 2 TO THE AUDITOR'S REPORT

(Referred to in paragraph 2 under "other legal and regulatory requirements" of our report of even date)

Report on the Directions under section 143(5) of the Companies Act, 2013 by C&AG

Sl. No.	Directions	Our Observations
1	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	Yes, The company has established a system to manage all accounting transactions through its IT infrastructure. However, our assessment suggests that the accounting software in use may not be appropriately aligned with the considerable volume of transactions managed by the company. Furthermore, it has come to our attention that the company lacks comprehensive data security protocols to ensure the integrity, confidentiality and accessibility of digital information throughout its lifecycle. These measures are essential to safeguard against potential risks such as data corruption, unauthorized access and theft.
2	Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. Made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a Government Company, then this direction is applicable for statutory auditor of Lender Company).	No. The Company doesn't have any such debt/loan/interest etc.
3	Whether funds (grants/subsidy etc.) received/receivable for specific schemes from Central/State Government or its agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation	No such funds are received/receivable by the company (grants/subsidy etc.) during the year.

**Report on additional Sub directions under section 143(5) of the Companies Act, 2013**

Sl. No	Directions	Our Observations
1	<p>Comment on the adequacy and effectiveness of internal controls to monitor the Excise Adhesive Labels accounts of liquor suppliers located outside Odisha State, with reference to the number of EALs issued to such external suppliers from the date of commencement of each registration period with OSBCL, number of EALs affixed on liquor products received in OSBCL Depots from such external suppliers and the number of EALs available with external suppliers at the end of each registration period for the supplier.</p>	<p>In our opinion, the internal controls of the company exhibit deficiencies to monitor the Excise Adhesive Labels accounts of liquor suppliers located outside Odisha State, with reference to the number of EALs issued to such external suppliers from the date of commencement of each registration period with OSBCL, number of EALs affixed on liquor products received in OSBCL Depots from such external suppliers and the number of EALs available with external suppliers at the end of each registration period for the supplier. Based on the records provided and explanations given by the Company, it has come to our attention that there has been a lack of maintenance of essential records pertaining to Excise Adhesive Labels (EAL) throughout the year. Additionally, there has been insufficient documentation and accounting practices regarding the distribution and management of EAL. As per clause no 158(d) of Odisha Excise Rule, 2017 <i>"the Commissioner shall post an officer of the rank of Inspector of Excise for receipt and distribution of EALs in case of IMFL, Foreign Liquor and Beer imported from outside the State, who shall have his Store or Office in the Registered Office of the Corporation;"</i> and as per Rule no 158(k) of Odisha Excise Rule, 2017 <i>"the Corporation, in each case of import, permit for procurement of stock from outside the State, shall present the pass to the Inspector appointed under clause (d) with a requisition as to the number of EALs required to be issued to ensure that no bottle or no other container is received from outside the State without affixture of EAL and taken to godown of the Corporation and the Inspector shall maintain</i></p>

		<p><i>detailed accounts of the EALs received, issued, used and damaged and he shall report the requirement of EALs in each case to the Commissioner one month ahead;".</i> The aforementioned stipulations have not been adhered to by the Company. It has come to our attention that there is currently no Inspector of Excise assigned to the Company.</p> <p>During our recent depot verification visits to Nirgundi, Khordha &amp; Chhatabar we conducted random checks on the stored liquor product bottles. It has come to our attention that although the bottles are affixed with Excise Adhesive Labels (EALs), the company does not maintain corresponding records for the EALs associated with purchases made both within and outside the state.</p>
2	Comment on the adequacy and effectiveness of internal controls for storage of liquor products in OSBCL Depots, with reference to norms adopted by the Company for breakage, sedimentation and pilferage of stock.	During our site visits to three depots, namely Nirgundi, Khordha & Chhatabar, it has come to our attention that there are notable deficiencies and unreliability in the internal controls governing the storage of liquor products. It has been observed that the company does not adhere to any established percentage norms to address issues such as breakage, sedimentation, and pilferage of stocks at these mentioned depots.
3	Comment on the adequacy and effectiveness of physical verification of stock stored at OSBCL Depots, by comparing on suitable sampling basis, the Excise Adhesive Label numbers which are available in stock as per the software application and the Excise Adhesive Label numbers actually affixed on the stock stored in the Depots.	<p>In our assessment, the adequacy and efficiency of the physical verification of stock stored at OSBCL Depots, along with the correlation between the Excise Adhesive Label numbers recorded in the software application and those physically affixed to the stored stock, appear to be insufficient and inadequate.</p> <p>While the Company carried out a physical inventory verification during the year, undertaken by its Internal Auditors, we find ourselves unable to provide an opinion on this verification. This is due to the absence of inventory recognition in the company's books, as</p>

		highlighted in Paragraph 01 of our report. Notably, based on the information, software particulars, and digital reports provided to us it's observed that the Company has not incorporated Excise Adhesive Label (EAL) numbers into the software-based inventory application.
4	Comments on the adequacy and effectiveness of internal controls to batch wise segregation of saleable stocks & sediment stocks	Our random verification of records concerning the Batch wise segregation of Saleable stock & sediment Stock Our assessment revealed that the storage of liquor products exhibited a generally organized approach, characterized by appropriate categorization and labeling of stock. Nevertheless, we identified situations in which Stocks were not segregated from the remaining inventory. This situation poses a potential risk of compromised goods and contamination. Moreover, it is notable that the company does not adhere to any predefined percentage standards for managing concerns like stock breakage, sedimentation and pilferage at the depots.
5	Comments on the effectiveness of internal control in issuance of Stocks at depot level viz. whether FIFO norm is being adopted and its impact on Stock holding Charges.	During our Depot visit we observed that inadequate storage controls, documentation practices, and non-adherence to the First in First Out (FIFO) method in few cases. Non adherence of FIFO method for issuance of Stock at depots which leads to ageing of the stock will be increasing. The Company has not followed any Policy for analysis of Slow moving & non moving liquor products. Consequently, there is a substantial risk of incorrect levying of stock holding charges and potential revenue understatement along with expiry of the Stocks.
6	Comment completeness on the of accounting for income as Export Processing Fees, with reference to the underlying total number of Exports permitted from Odisha State during 2023-24 and comment on the adequacy and effectiveness of internal controls adopted	The company has recognized income as Export Permit Fees based on NOCs issued for the export of liquor products. It has been observed that during the processing of documents for new export sales, the company verifies Excise Verification Certificates issued by the OIC of the respective State Governments. These certificates are endorsed by the OIC at the supplier's manufacturing unit in the State of Odisha. Additionally, for payment of Excise Duty on exported liquor products, the company relies on email confirmations from the relevant offices to issue Import

<p>by OSBCL to verify- at the time of processing documents for a fresh Export sale-whether liquor products pertaining to previous Export sales were actually received (details of receipt of liquor stock) at the destination State and whether payment of Excise Duty pertaining to previous Export sales was actually made (details of challan/proof of payment) to that State Government.</p>	<p>Permits. It's important to note that this procedure was introduced by the company starting from 01.10.2021.</p> <p>However, in our evaluation, we find that the internal controls governing the accurate accounting of income as Export Processing Fees, especially concerning the total number of exports permitted from Odisha State, need enhancement.</p> <p>Furthermore, the internal controls implemented by OSBCL to verify the actual receipt of liquor products related to previous export sales in the destination State, as well as the payment of Excise Duty for such sales, appear to be deficient. The company relies on Email Confirmations from the destination States instead of maintaining copies of Challans or proofs of payment. This approach raises concerns regarding the completeness and accuracy of the verification process.</p> <p>In light of these observations, we recommend that the company strengthen its internal controls to ensure the proper accounting of income derived from Export Processing Fees. Additionally, we suggest implementing robust procedures to verify the actual receipt of exported liquor products and the associated payment of Excise Duty through verifiable documentation such as Challan copies, rather than relying solely on email confirmations.</p>

## Annexure 3 to the Independent Auditor's Report

**Annexure referred to in independent Auditor's Report of even date to the members of Odisha State Beverages Corporation Limited on the financial statements for the year ended 31<sup>st</sup> March 2024.**

**Report on the Internal Financial Controls with reference to Ind AS financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")**

We have audited Internal Financial Controls over financial reporting of Odisha State Beverages Corporation Limited ("the Company") as of March 31<sup>st</sup>, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Management Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining Internal Financial Controls with reference to Ind AS financial statements based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls Over Financial Reporting Issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of Act, to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial controls over Financial Reporting**

A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the generally accepted accounting principles. A Company's internal financial controls over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitation of Internal Financial Controls over Financial Reporting**

Because of the Inherent Limitation of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31<sup>st</sup> March 2024:

As regards Entry Level Controls, the Company is having the following deficiency:

1. Operating Manuals for functions like Accounts, Internal Audit, Compliance, and Comprehensive Risk Management Policy need to be implemented.
2. In our opinion the accounting software used is not commensurate with the volume of transactions dealt with by the company

In our opinion, except for the effects/ possible effects of the material weaknesses described above on the achievement of the objectives of control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting in place and such internal financial controls over financial reporting were operating effectively as at March 31, 2024 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India(ICAI).

**Note-1****Odisha State Beverages Corporation Limited****Notes to Accounts and Significant Accounting Policies****GENERAL INFORMATION****i. Reporting Entity**

Odisha State Beverages Corporation Limited (hereinafter referred to as “the Corporation”) is a Government Company incorporated under the Companies Act, 1956. The Government of Odisha by Act No.9 of 2000 published in the Orissa Gazette on 04.10.2000, and notification No.-514 dated 30.01.2001 published in the Orissa Gazette on 31.01.2001, conferred exclusive privilege on the Company to carry on wholesale trade in beverages throughout Odisha. The registered office of the Company is situated at Bhubaneswar.

The financial statements for the year ended on 31st March, 2024 have been approved and authenticated by the Board of Directors on its 100th meeting held 25.06.2024.

**ii. Basis of Preparation & Presentation****(a) Statement of Compliance**

The financial statements of the Company have been prepared on accrual basis of accounting in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under section 133 of the Companies Act 2013 (The Act), as notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India. The Company has uniformly applied the accounting policies during the period.

**Operating Cycle:** The Company has a normal operating cycle of 12 months considering its operations.

**(b) Current & Non-current classification**

The Company has ascertained its operating cycle as twelve months for the purpose of Current/Non Current classification of its Assets and Liabilities.

**For the purpose of Balance Sheet, an asset is classified as current if:**

- i) It is expected to be realized, or is intended to be sold or consumed, in the normal operating cycle or
- ii) It is held primarily for the purpose of trading or
- iii) It is expected to realise the asset within twelve months after the reporting period or
- iv) The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

**Similarly, a liability is classified as current if:**

- i) It is expected to be settled in the normal operating cycle or
- i) It is held primarily for the purpose of trading or
- ii) It is due to be settled within twelve months after the reporting period or
- iii) The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counter party does not affect this classification. All other liabilities are classified as non-current.

**(c) Basis of Measurement**

The Financial Statements are prepared under the historical cost except for the defined benefit plans and plan assets which have been measured at fair value.

**(d) Functional and Presentation Currency**

The Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest two decimals of Lakhs unless otherwise stated.

**(e) Restatement of material/omissions**

The value of errors and omissions is construed to be material for restating the opening balances of assets and liabilities and equity for the earliest prior period presented, if the sums total effect of earlier period income/expenses exceeds 0.25% of average turnover of previous three financial years.

**(f) Adoption of New and Revised Standards :**

The Ministry of Corporate Affairs notifies the amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. Further the MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) amendment rules, 2023 which is to be effective from 01.04.2023. The impact of same is yet to be assessed. However, no new standard has been adopted during the current year.

**(g) Use of Estimates and Management Judgments**

In preparing the Financial Statements in conformity with Ind-AS requires the Management to make estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual and the estimates are recognised in the periods in which the results are known / materialised.

**Note-2****Odisha State Beverages Corporation Limited****SIGNIFICANT ACCOUNTING POLICIES**

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the Financial Statements.

**1. Property, Plant and Equipment****1.1 Recognition and Measurement**

Property, Plant and Equipment, other than leasehold land, are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

**Leasehold Land:** Two parcels of lands have been taken on lease from Govt. of Odisha for lease period of 99 years and 60 years respectively and the company shall at the expiration of the term hereby granted, quietly yield up the demised land on to the State Government in the same conditions as it is now. Since the land has restricted economic life because of the planned alternative use, the lease of land has been classified under Finance Lease and shown under the head Property, Plant & Equipment.

**1.2 Subsequent Cost**

Subsequent expenditure relating to property, plant & equipment is capitalized only if such expenditure results in increase in the future economic benefits from such asset beyond its previously assessed standard of performance.

Major repair of property, plant and equipment are recognised in the carrying amount of the item if it is probable that the future economic benefits of the costs incurred will flow to the Company. The carrying amount of the replaced item(s) is derecognised.

### **1.3 De-recognition**

The Carrying amount of an item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Further the gain or losses arising from de-recognition of an item of property plant & equipment is included in the profit or loss.

### **1.4 Depreciation**

Depreciation on Property, Plant and Equipment is provided using Written Down Value Method on depreciable amount. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end.

Land (Finance Lease): With respect to land under Finance lease, the company is amortising the value of land over the lease period of the land.

### **1.5 Capital Work-In-Progress**

Assets in the course of construction for production and/or supply of goods or services or administrative purposes, or for purposes not yet determined, are included under capital work-in-progress and are carried at cost, less any recognised impairment loss. Such capital work-in-progress is transferred to the appropriate category of property, plant and equipment when completed or starts operating as per management intended use whichever is earlier.

Expenses for assessment of new potential projects incurred till and for the purpose of making investment decisions are charged to revenue. Expenditure incurred for projects after investment decisions are accounted for under capital work in progress and capitalized subsequently.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost related assets.

Deposit works/cost plus contracts are accounted for on the basis of statements account received from the contractors.

Unsettled liabilities for price variation/exchange rate variation of contracts are accounted for on estimated basis as per the terms of agreement.

### **1.6 Deemed cost on transition to Ind AS**

For transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant & equipment recognised as of 1 April, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

## **2. Intangible assets and intangible assets under development**

### **2.1 Initial recognition and measurement**

Intangible Assets like Software is stated at cost of acquisition net of recoverable taxes, trade discounts & rebates less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase price, and any cost directly attributable to bringing the asset to its working condition for its intended use. Intangible assets are amortized over a period of 5 years or their estimated useful life, whichever is less.

Intangible assets that are acquired by the Corporation which have finite useful lives are recognised at cost. Cost includes any directly attributable incidental expenses necessary to make ready for its intended use.

Expenditure on development activities is capitalised only if the expenditure can be measured reliably and are eligible for capitalisations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

## 2.2 Subsequent cost

Subsequent expenditure is recognised as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

### 3. Impairment of Non-Financial Assets

The Company reviews the carrying amount of its Property, Plant & Equipment & Intangible Assets and these are tested for impairment on each Balance Sheet date, whenever there is an indication that such asset may be impaired.

If any such indication exists, the assets' recoverable amount is estimated, as higher of the Net Selling Price and the Value in Use. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

### 4. Dividend

Dividends and interim dividends payable to the Shareholder are recognised as changes in equity in the period in which they are approved by the shareholders and the Board of directors respectively.

### 5. Government Grants

Government grants are only recognized if it is sufficiently certain that the assistance will be granted and the conditions attached to the assistance are satisfied. Where the Grant relates to an asset value, it is recognized as deferred income, and amortized over the expected useful life of the asset. Other grants are recognized in the Statement of Comprehensive Income concurrent to the expenses to which such grants relate/ are intended to cover.

Where the Company receives non-monetary grants, the asset and the grant are recorded gross at fair amounts and released to the income statement over the expected useful life and pattern of consumption of the benefit of the underlying asset.

## **6. Employee Benefits**

### **6.1 Defined Contribution Plan**

A Defined Contribution Plan is a plan under which the Company pays fixed contributions. Contributions towards Provident Funds are charged to the Statement of Profit or Loss of the period when the contributions to the Funds are due.

### **6.2 Defined Benefit Plan**

The Company's gratuity scheme is a defined benefit plan. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment of an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of Five years of service. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary, using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows using projected unit credit method. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields of Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss or Other Comprehensive Income of the year.

Re-measurement, comprising of actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with

a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

### **6.3 Short Term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus, etc., are recognized in the Statement of Profit and Loss in the period in which the employee renders the related service.

### **6.4 Long Term Employee Benefits**

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. In case of own employees of the company, the expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the Balance Sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur. For deputed employees, the retirement benefits are remitted as and when claimed by their respective department/organisation.

## **7. Revenue**

Revenue is recognized when it is probable that economic benefits associated with a transaction flows to the Company in the ordinary course of its activities and the amount of revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates allowed by the Company.

Revenue includes only gross inflows of economic benefits, including excise duty received and receivable by the Company, on its own account. Amounts collected on behalf of third party such as value added tax & TCS collected are excluded from revenue.

### **7.1 Sale of goods**

Revenue from sale of products is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, recovery of consideration is probable and retains neither continuing managerial involvement nor effective control over the products sold.

### **7.2 Cash Discount**

The Company has recognised cash discount earned for making early payment to suppliers as per the Company's Supply Chain Management Policy treated as "Other Income"

### **7.3 Interest**

Interest income is reported on an accrual basis using the effective interest method.

## **8. Recognition of purchase**

Purchase has been accounted for based on the approved pricing policy of the Company, on transfer of significant risks and rewards from the suppliers after the final inspection of goods takes place.

## **9. Adjustment pertaining to Earlier Years**

Income/Expenditure relating to prior period, which do not exceed 0.25% of Average Turnover of previous three financial years, are treated as income/expenditure of current year.

## **10. Leases**

The Company has adopted Ind AS 116 effective from April 1 2019 using modified retrospective approach. As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right of-use asset or the end of the lease term. The

estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise the fixed payments. The lease liability is measured at amortised cost using the effective interest method. The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date. The Company's leases mainly comprise office building and buildings for warehouse facilities

## **11. Provisions, Contingent Liabilities and Contingent Assets**

### **11.1 Provisions and Contingent Liabilities**

A Provision is recognized when the Company has present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are discounted to their present value, where the time value of money is material.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as a separate asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or

non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made.

In cases where the possible outflow of economic resources as a result of present obligations is considered improbable or remote, no Provision is recognized or disclosure is made.

### **11.2 Contingent Assets**

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

## **12. Income Taxes**

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in Other Comprehensive Income (OCI) or directly in equity.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act. Current income tax relating to items recognized outside Statement of Profit and Loss is recognized either in OCI or in equity.

Deferred income taxes are calculated using the liability method. Deferred tax liabilities are generally recognized in full for all taxable temporary differences. Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that

it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside Statement of Profit and Loss is recognized either in OCI or in equity.

### **13. Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into cash and subject to an insignificant risk of changes in value.

### **14. Equity and Reserves**

Share Capital represents the nominal value of shares that have been issued, subscribed & paid up. Other components of equity include the following:

- Re-measurement of defined benefit liability comprises the actuarial gain or loss from changes in demographic and financial assumptions and return on plan assets. Other transactions recorded directly in Other Comprehensive Income. Retained earnings include all current and prior period retained profits

### **15. Financial Instruments**

#### **15.1 Initial recognition & measurement**

Financial assets and financial liabilities are recognized and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss which are measured initially at fair value.

## **15.2 Classification and subsequent measurement of financial assets**

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- amortised cost
- financial assets at fair value through profit or loss (FVTPL)
- financial assets at fair value through other comprehensive income (FVOCI)

Where assets are measured at fair value, gains and losses are either recognized entirely in the Statement of Profit and Loss, or recognized in Other Comprehensive Income.

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date.

### **15.3 Amortised cost**

A financial asset is measured at amortised cost using effective interest rates if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments.

### **15.4 Financial assets at FVTPL**

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. Assets in this category are measured at fair value with gains or losses recognized in profit or loss. The fair values of financial assets in this category are

determined by reference to active market transactions or using a valuation technique where no active market exists.

### **15.5 Financial assets at FVOCI**

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non-trading equity instruments that are designated to this category.

FVOCI financial assets are measured at fair value. Gains and losses are recognized in other comprehensive income, except for interest and dividend income, impairment losses and foreign exchange differences on monetary assets, which are recognized in Statement of Profit and Loss.

### **15.6 Classification and subsequent measurement of financial liabilities**

Financial liabilities are measured subsequently at amortized cost using the effective interest method, except for financial liabilities held for trading or designated at FVTPL, that are carried subsequently at fair value with gains or losses recognized in profit or loss.

### **15.7 Impairment of Financial Assets**

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

### **15.8 Trade Receivables**

The Company applies approach permitted by Indian Accounting Standards (Ind AS) 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of receivables.

### **15.9 Other Financial Assets**

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition.

### **15.10 De-recognition**

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognized when it is extinguished, discharged, cancelled or expires.

## **16. Earnings per Share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. The numbers of equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

## 9. Corporate Social Responsibility

As per section 135 of the Companies Act 2013 Schedule – VII and read with Companies (Corporate Social Responsibility Policy) Rules 2014 the Company is required to spend in every financial year at least two percent of the average net profits of the Company made during the three immediately preceding financial years in accordance with its CSR policy. The details of CSR expense for the year are as under:

*Amount in ₹ Lakhs*

Particulars	Current Year	Previous Year
Amount required to be spent during the year (Obligation)	77.81	69.29
Amount spent during the year	37.14	147.20

\*During the Financial Year 2023-24, the CSR unspent amount of earlier year has been returned back and same has been netted off with the total CSR expenditure and as a result the net CSR spent amount during the FY-2023-24 has been reduced to that extent. Further, the unutilized CSR refunded and interest credited on the CSR fund account has also been spent during the year.

The details of nature & activity towards CSR expenses are given below:
